Academic Council held on 27.06.2017(Additional Item No. 6)

O R D E R

With the shifting of the affiliation of all Engineering Colleges to the APJ Abdul Kalam Technological University (KTU) with effect from 2014-15 and the KTU having started Ph.D programmes of their own, this University continuing to make use of the facilities of Engineering Colleges and also the faculty attached to KTU for running Ph.D programmes would tantamount to violation of UGC Regulations.

The Standing Committee of the Academic Council at its meeting held on 27.06.2017 vide paper read above considered the matter regarding registration to research leading to award of Ph.D Degree and approval as Research Supervisors in the Faculty of Engineering and Technology and recommended that the Ph.D registration and approval as Research Supervisors under the Faculty of Engineering and Technology be continued to be permitted only in those research centres other than Engineering Colleges under APJ Abdul Kalam Technological University (KTU) such as C-DAC, VSSC, LBS, NIIST, and relevant University Departments, in the branches permissible.

Sanction has, therefore, been accorded by the Vice-Chancellor, subject to reporting to the Academic Council   to the above recommendation of the Standing Committee of the Academic Council being implemented.
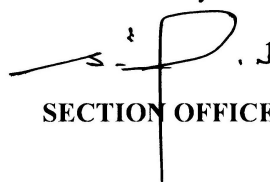

Orders are issued accordingly.
